

Newton-Wellesley Family Pediatrics Newsletter

Introducing our new **pediatric newsletter**

We are very excited to announce our new monthly newsletter. Stay up to date with practice announcements, updates on hot pediatric topics and quick links for your reference. Email overload? Feel free to unsubscribe below!

Arrival of Dr. Julia Brown

We are very excited to announce the arrival of our new pediatrician Dr. Julia Brown. Dr. Brown joins us after practicing in New York City at Mount Sinai Medical Center for the past 3 years, after having completed her medical school at Tufts University and pediatric residency training at Columbia University in New York City. See our website for her full bio! Her practice is open to all ages.
